

AFFIRMATION WALL

Transitioning into high school can be challenging and scary. We would like to help you create an Affirmation Wall that can be given to your son/daughter as they prepare for this transition. The idea is to make copies of the forms below and distribute them to the people who interact with your child on a regular basis; family, friends, coaches, parents of their friends, your Pastor and other parish staff. Then collect the responses and compile them for your child to read and reflect on. Make sure you give the authors a deadline for submitting their affirmations. Electronic copies can also be found at www.dol.ca → Family & Youth → GR8Outreach Tool Kits → Affirmation Wall' if it is easier to email them out.

We want to thank you for being part of our child's life. We know it is so important for them to have caring adults to support them, and we appreciate the role you play in their life. We would love it if you would fill out the Affirmation Wall below. Please put _____'s name at the top and sign it at the bottom. We will be compiling these and passing them on in few weeks so please return this to us by _____. Also, keep in mind we want this to be a great surprise,so please don't say anything.
